**Pop Art, 6 Week Course, £60**

**Course Content:**–We will be looking at famous members of the Pop Art movement, such as Andy Warhol and Roy Lichtenstein, and creating our own pieces inspired by

them. We will be using printing, drawing, creating a 3D piece and lots of colour!

### **About Creative Kids Studio:**

Founded and run by practising artist/textile designer and Killigrew mum Laura Howard. She has worked in the creative industry for 14 years (under name 'Laura Marsden'), and exhibited her textile work internationally. The V&A Museum has two pieces of her work, in their permanent Contemporary Collection.

Laura is passionate about encouraging creativity in children, and believes it is essential to help balance, and enrich their busy lives.

**Bookings are only taken in advance, online on a first come-first served basis, please don't hesitate to contact us for any help/enquiries. We run a waiting list when the club is full.**
