

KILLIGREW NEWS

12th July 2019

Dear Parents,

As this is the last newsletter of the year, I would like to thank you for your ongoing support. We are lucky to have so many parents who give up their time to help us. Thank you to our regular helpers who change library books, support in classrooms and accompany the children on trips, sporting and musical events, to the Parent Forum reps who discuss many varied aspects of school life and the PTA for their ongoing fundraising.

I would also like to thank our amazing team of teachers and support staff who work tirelessly day in, day out to provide the very best education for your children.

We wish the Y6 children every success for the future as they embark on the next stage of their educational journey. They have been a fabulous year group-good luck Y6!

The Summer Term ends on Friday 19th July so school will close at 2.15pm. I wish you all a very safe and enjoyable summer break and look forward to seeing you on Wednesday 4th September.

Kindest regards,

T. Mylotte
Head teacher

Year 6 Play

Well done to the Y6 children for their fantastic performances of 'High School Musical' on Tuesday and Wednesday evening.

Secondary Transfer 2020

Leaflets detailing the open event dates for secondary schools in the Autumn Term 2019 have been sent home to Y5 families this week.

We will provide you with further information about the process early in the Autumn Term.

Eco School Award

We are delighted to inform you that we have been awarded the 'Eco School Bronze Award'.

The Eco Council has worked hard throughout the year to achieve the award. In September, the children identified areas that they would like the school to focus on - these included increasing the biodiversity of the school grounds and learning about Fairtrade and its impact on our world. Next year, we are hoping to become part of a pen recycling scheme.

Curriculum Meetings

We would like to invite you to attend a short meeting at the beginning of the Autumn Term. The purpose of the meeting is to meet your child's class teacher and to have an overview of class routines and the curriculum plans for the year. The meetings will take place as follows:

Monday 9th September Y5 & Y6

Tuesday 10th September Y3 & Y4

Wednesday 11th September Y1 & Y2

Friday 13th September YR

Paralympic Roadshow

Although it is nearly the end of term, we are still very busy and have a Paralympic Roadshow on Monday. Five Paralympians are visiting and children from YR to Y6 will have the opportunity to try various sports such as wheelchair basketball, sitting volleyball and Boccia.

Butterfly Project Update

Today, the Eco Council went to Greenwood Park and planted out the kidney vetch seedlings in the new chalk bank. These will attract the small blue butterfly. You might like to have a look at the seedlings growing in the chalk bank. Please remember not to step on the chalk bank, as there are lots of seeds and seedlings.

The winning posters from the poster competition will be displayed in the park over the coming weeks. Well done to everyone who took part. There were many fantastic posters and it was difficult to choose the top designs.

Well done to the winners:

Summer Activity Ideas

Don't forget to sign up for the Summer Reading Challenge at your local library. It is a good idea for the children to read regularly over the summer break as we notice a real decline in their skills if they don't do this.
