

Parent Information

Welcome to Nursery!

Settling in:

In September, you will have a short time slot where you attend the Nursery with your child, allowing your child to become familiar with the staff and setting, while you are there to support.

For the following few days, the children will attend the Nursery in small groups. This allows the staff to get to know the children, and the children to become familiar with the routine.

Finally, all the children will attend the Nursery sessions together. If during this time you feel your child needs more support, please speak to a member of Nursery staff.

Getting ready for Nursery:

To help your child get ready, please support your child with the following:

Taking off and putting on their coat

Taking off shoes and putting on wellies

Going to the toilet

Washing their hands

Uniform/ Equipment:

The children spend a lot of time outdoors so please make sure your child has suitable clothing for all weathers, including raincoat, scarf, hat and gloves, sun hat and so on. You can leave a pair of wellies in the cloakroom for your child to use on wet days.

Uniform is not compulsory but please make sure all items are named.

It is useful for your child to have a bag on their peg. School book bags are available from our online supplier, www.pmgsschoolwear.co.uk.

Named water bottles should be sent in every day. We will send them home every day for cleaning.

Weekly routines:

The weekly timetable will be available on the school website.

We will plan cooking activities for some weeks, and so we do ask for a donation of 50p per week to cover the cost of consumables such as ingredients, play dough, items for sticking, gardening and so on. We put the tin out each morning so please pop some coins in when you can.

Suggested home activities will be put on Google Classroom each Friday. These are not compulsory but they will support what your child has been learning in Nursery.

Useful things to remember:

The day runs from 8.45 am -11.45am for all Nursery children.

Please ensure you drop off and collect your child at these times.

If you are late, you will need to take your child to the office in the Infant building so they can be signed in.

If your child is being collected by someone else, please inform us in the morning.

Please put regular arrangements in writing.

Getting to know you:

Please complete this with your child and bring it to Nursery in September. It gives us a picture of what they like to do at home, what they are able to do and what they need help with. Once you have activated your Tapestry account, please fill in the "About Me" page as this helps the staff to get to know your child.

If you have any other queries please email the admin team via their email address, admin@killigrew.herts.sch.uk and someone will get back to you.

Thank you,

Mrs Wicks
EYFS Leader
