Head teacher ~ T Mylotte

3rd October 2017

Dear Parents and Carers,

In an effort to increase road safety knowledge and skills, we are running Pedestrian Skills Training for our Year 4 children.

The scheme of work involves classroom based activities and roadside training to provide real-life experiences. Training routes have been established along West Avenue and along a short stretch of the Watford Road. High visibility clothing will be provided for the children. They will be taken out in groups of 4 and supervised at all times by trained staff and parent volunteers.

The classroom based activities have started already and will continue until the 16th October when the roadside training will begin. Each Year 4 class will have roadside training on either the 16th or the 17th October 2017. Your child will also bring home two booklets for you to look at: Road Safety Matters and Pedestrian Skills Support for Parents and Carers.

To give permission for your child to attend the roadside training please return the permission form below by the 12th October 2017. If the slip is not returned we cannot take your child out of school.

Thank you for your continued support.

Yours Sincerely,
Mrs Morley
Deputy Head Teacher

I give / do not give permission for my child in class
..... to attend roadside pedestrian skills training.
